The Supervisors had a brief discussion about the small dump truck that they are putting out for bid. Bids will be open in June.

A Superpave bid package will be put together for opening at the April 9, 2018 regular meeting.

Project will be Superpave 1800'Lx18"Wx3"D on McCormick Road. An additional option will be added of 1430'Lx18"Wx3"D on Coulson Road. Elder **motioned** to bid this project and open bid at the April 9, 2018 meeting, Fairlamb 2nd.

Mrs. Yarnell will get with Jon Wilson from Penndot to work on the bid as soon as possible. Mr. Elder wanted bid packages sent to all those who bid last year as well.

Mrs. Yarnell presented the Supervisors with information on Joining the Mercer County Council of Governments. The fee to join is est. at \$136.00 per year to be divided in two invoices. Mrs. Yarnell is excited about the web design the COG can offer at a minimal cost of \$60.00 per year. That would include the design and maintenance of the web page. Mrs. Yarnell felt the information on the web page could help the Township in many areas, such as Right-To-Know requests and running the Jack Jones Memorial Park if the Supervisors resume control from LARA. Elder **motioned** to join the MCCOG Gander 2nd.

Mr. Elder **Motioned** to order Cold Patch for the upcoming spring road rebuild, Gander 2nd. This winter seems to have been very hard on the road surfaces.

The Supervisors had a discussion about the possible sites for tree trimming in the Township. John Mowris Tree Service is \$150.00hr. for a 3 man crew. The Supervisors asked for phone quotes again this year. An inspection of roads will be done to determine sites, trees on power lines might be a Penn Power issue. As was the tree removed on Ellis Road last year.

Mrs. Yarnell signed all the student forms for attending a public meeting, a requirement for graduation from Lakeview High School.

Meeting was adjourned at 9:25pm
