Supervisors: Chairman- Fred Elder
Vice Chairman- Harry Fairlamb
Roadmaster- Jon Gander

May 14, 2018

The Lake Township Supervisors held their May regular meeting on May 14, 2018 at the Township building. Present were Supervisors Fred Elder and Jon Gander along with Secretary Deanna Yarnell. Absent was Supervisor Fairlamb.

Guests: David Hoobler

Chairman Elder opened the meeting at 8:00p.m. Minutes to the April meeting were read and corrected by a **motion** from Gander 2nd by Elder.

Mr. Elder recognized guest Dave Hoobler who had comments about the additional abandonment on Hutchenson Road, both he and the Supervisors felt that this should be the final measure needed to finish the Steckler road abandonment. The Supervisors and Mr. Hoobler had an additional discussion about the boundaries and the confusion as to who the rightful owners were to the property on each side of the abandonment. Mr. Hoobler was happy to see that Sonntag Excavating received this year's paving bid. That the interaction with them and his company has always been positive.

Ordinance 02-2018 was read and approved by a **motion** from Elder 2nd by Gander.

Treasurer Report

•	General Checking :	44,231.35
•	General Savings:	35,916.53
•	State Savings:	141,438.07
•	State Checking:	2,201.65

Secretary Report:

- State Police Fines 1st Qt. \$927.23
- Governor acceptance letter naming Deanna Yarnell the Emergency Management Coordinator for Lake Township
- Stoneboro Vol. Fire Department Annual Donation Drive Letter
- GBU Financial Life Annuity Statement balance \$24,357.61 interest to date \$176.88

The Supervisors had a brief discussion about how pleased they are that the Annuity was still doing so well with its accumulated interest.

Roadmaster Report:

- Tree trimming will have to be postponed until Fall as Mower Tree Service is under contract with the State now.
- Cold Patch continues
- Mowing and Trimming at the ball fields has begun
- Grader work has been started on Vernon and Zahnizer Road
- Grader has been down with broken oil lines and repairs have been made, the longevity of the Grader is very questionable. A decision on a replacement maybe needed very soon.

The Supervisors spoke about the 87' Ford Dump Truck and not having any real interest with PennDot advertizing the truck to other Municipalities, Gander **Motioned** to advertise the truck to accept sealed bids to be opened at next months regular June meeting Elder 2nd.

The Supervisors had asked members from Lakeview School Board and the Lakeview Girls Fast Pitch League to attend the meeting to discuss their interaction with LARA no one from either organizations came. The Supervisors had a discussion over their frustration with the progress at the Jack Jones Memorial Park and the lack of communication between LARA and the Township. The Supervisors asked to contact Solicitor Watson as to drafting a letter notifying LARA that the Township wants to resume control of running the park. What LARA has done was no small feat, however, the Supervisors are concerned with the upkeep of what is currently there, finishing the developement and getting the park used to its potential.

Supervisor Elder asked that DEP be contacted again about the use of brine for dust control, as our renewal permit has not yet come.

Bills approved and paid

Respectfully,

Deanna L Yarnell
