Secretary Report:

*Interest from the new PLGIT account has received almost 900.00 so far up substantially from the 100.00 for the year from the old MCSB account.

*Little League has been contacted about restitution for the use of the LARA fields

*The Casper Sewage Plan has been denied by DEP due to omitted information from their engineer. Secretary Deanna Yarnell will work with Pat Kelley and Fred Brandt the engineer to make sure this gets resubmitted quickly. Deanna Yarnell met with the Lakeview Joint Sewage Authority to make a formal request for Lake Township to tie in for the Lake Township side of the Stoneboro Lake. The Sewage Authority will work with our Solicitor to get things going. This will be a long process and the authority suggested we use some of the same people such as engineer that Sandy Lake Township just used might make things go smoother. The Authority will give those contacts to the Solicitor.

Roadmaster Report:

Slater Road needs grading, work will begin on Wednesday of this week.

Roads in need of berm cutting. The Supervisors had a discussion about hiring Larry Temple and his machine that cuts, scraps then removes cuttings at same time. Ditching is ineffective if the water is not able to reach it due to over grown roadsides. The Motion to hire Larry Temple is tabled till next month so that Fred and Jon can get an estimate.

100.00 paid by Jack Yeager for a scoop of cold patch.

Motion by Gander to allow The Stoneboro Fair to use the Grader fair week for the track 2nd by Fairlamb.

Bills approved and paid
