Guests: None

Resolution #20193B was approved for the Casper Sewage Module

The DEP application will be resent following corrections made by the Casper Engineer, Fred Brandt. Pat Kelley and Secretary Deanna Yarnell have both worked with Mr. Fred Brandt to make sure the application he has prepared is complete.

The Storm Water Management Plan for Kent Penland has been approved pending the signed agreement between the Township and Mr. Penland. Mr. Elder and Mr. Penland will go to a notary to witness this agreement approved by Lake Township SWM Engineer Dan Gontz. The Township Supervisors are very pleased that Mr. Penland was able to locate an engineer firm that was able to do the work timely, affordably and one that the Township Engineer was confident in the plan set forth.

The Mercer County Council of Governments approved bid items for 2020 was presented to the Supervisors. The Supervisors will keep a close watch on the outcome of the prices to see if participating in this program in 2021 would be beneficial to the Township.

Bills were approved and paid

Correspondence - see file

- The Supervisors discussed remaining road work for the year. As well as the current CDL driver list, Jonathan Schiestle informed Mr. Elder that he has his CDL. Mr. Gander asked if

the Township still participates in the PSATS CDL drug test program. Mrs. Yarnell said that they do and that a new online site has been set up for test notifications to the Township. This site will give quicker access to test results and make it easier to set up tests. No one so far this quarter has been selected for a test to date.
