Roadmaster Report:

Survey of work projects:

Culvert pipe is plugged by 173 Strausser Road

Culvert pipe needs replaced on Canon Road

Sink hole is starting on Doyle Road

Berm cutting

Cold patch

The Supervisors had a discussion about upcoming projects on various Township roads. Jon Gander thought that Poole Dirtworks should be contacted about the culvert on Canon Road.

Mrs. Yarnell suggested Berm cutting as a project for all Township roads for October 2021. In

talking with the Supervisors from Delaware Township, roughly 8-10 people are needed to do this. Three dump trucks as well as drivers, a grader, roller and a road skimmer. The skimmer could be rented from Stevenson equipment. The cost of the Skimmer is \$3,500 for a week or \$9,000 for a month. Deliver to and from would be an additional \$375.00 each way. The CDL drivers at Lakeview Fertilizer would be willing to work two days on this project. They would also have an additional Dump truck to rent.

This was tabled for further discussion

Meeting was adjourned at 9:35p.m.
