July 13, 2022

The Lake Township regular meeting was held on Monday, June 13, 2022, at the Lake Township Municipal Building.

*Present were Supervisors Fred Elder, Jon Gander, Harry Fairlamb.

Secretary Deanna Yarnell was remoted into the office via phone.

* Chairman Elder opened the meeting at 8:00p.m.

Guests Adam Zahnizer and Brett Armstrong were recognized. Brett and Adam are concerned about the Jack Jones Memorial Baseball complex, the renovations to the grass infield have not been completed and the girls' softball teams were limited to the one field this year. They had questions about scheduling and making it more accessible. Mrs. Yarnell is currently working with the Township Website administrator to have a JJMC have a calendar on the web site as well as requesting usage of the field. The Supervisors are eager to have more voices and workers willing to complete as many projects as possible. The Supervisors also understand that its going to take time and money that will need to be budgeted for such projects. Next month's meeting would be a good time to bring in people to discuss what the ball teams needs and what the Townships plans are and decide what can be done this year and what will have to be done next year. Both sides agreed about working on a list for next month's meeting. The Supervisors are hoping more members will come including President Ron Lewis. As mending relationships with the community is very important going forward.
