Chairman Elder recognized guest Ms. Struthers. Ms. Struthers is working with the library in Sandy Lake and wanted to thank the supervisors for their continued support. She also reports that 10% of Lake Twp residence belong to the library for free. Their membership is free due to the donation the Township makes to them. She also reports that the current building on Main Street is to small. The open field next to it has been donated to the library, however the cost of 1,000,000.00 is to much for them to try and raise. They will continue to look for a new site. The Supervisors will continue to pledge \$3,000.00 to the library and hope that more residence will take advantage.
