The Lake Township regular meeting was held on Monday, July 14, 2025, at the Lake Township Municipal Building.

\*Present where Supervisors Fred Elder, Harry Fairlamb, Jon Gander and Secretary Deanna Yarnell.

\*Guest: Adam Zahnizer and Evan Hoobler

- Chairman Elder opened the meeting at 8:00p.m.

Chairman Elder recognized guests and discussed the Field B infield reclamation. DuraEdge completed the infield. Final cost of \$16,707.60 was shared with Lakeview Knothole Leage. The infield looks good, however Mr. Zahnizer had concerns about the debris left around the field including extra material. He was going to contact DuraEdge to have them come back to clean up. This project used the remainder of the grant from the county. The Supervisors discuss the next project electric and a picnic pavilion that can have add ons for restrooms and concession stand. Without McCullough's Restaurant willingness to give the Township a right away a more expensive route will need to be taken. Mrs. Yarnell voices concern about constantly asking for quotes and not proceed with projects. The Supervisors would like Secretary Yarnell to apply for more grants.

Minutes were read and approved by a **motion** from Fairlamb 2<sup>nd</sup> by Gander.
