The Lake Township regular meeting was held on Monday, September 14, 2026, at the Lake Township Municipal Building.

Present were Supervisors Fred Elder, Harry Fairlamb, Jon Gander, and Secretary Deanna Yarnell.

Guests: Rosalyn Reagle, Natalee Conway and David Hoobler

Chairman Elder opened the meeting at 8:00 PM and recognized guest Rosalyn Reagle.

Ms. Reagle informed the Supervisors that New Vernon Township did approve and sign the PennDOT MTF grant resolution and the exhibits needed for the Canon/Billy Boyd grant application. Reiterating that this grant has some conditions unlike the DCED MTF grant that Secretary Yarnell has already submitted. Secretary Yarnell explained the conditions: 1) this grant is a reimbursable grant, meaning the Township pays the bill and gets reimbursed, and 2) a 30% match. Due to the large amount of the grant, the match would be over \$600,000.00.

Secretary Yarnell explained that this grant is a back-up to the DCED MTF grant if it is not fully awarded or not awarded at all. Lake Township needs to request the 30% match be waved. This can be done but is highly uncommon. PennDOT CEO Michael Carroll is the only one that can do this. Secretary Yarnell plans on asking Senator Michelle Brooks and Representative Tim Bonner to help with this. Lake Township would also have to get a loan to pay up front and then get a reimbursement from PennDOT. The grant has a year to be accepted giving the Township time to get a loan if awarded. This grant is an option if additional funds are needed to do the paving project.

After a discussion Supervisor Gander **motioned** to sign resolution 2026-09 and exhibits 1-10 for the PennDOT MTF grant application by 2nd by Fairlamb.

Township Fees resolution 2026-08 was tabled.
